INTERN EXPERIENCE TALK

BRANCH :- Electrical and Electronics Engineering

INTERNSHIP SEASON :- 6 months Intern +FTE

DESCRIPTION OF ROLE :- SDE(JAVA backend)

JOB LOCATION :- Banglore

SKILLS LEARNED :-

DESCRIPTION OF ONLINE TEST :-

It consisted 3 DSA questions (medium level) coding language was Java must, and SQL MCQ questions.

DESCRIPTION OF INTERVIEW :-

It was in depth for me but very inclusive, My current Tech Team lead is the one who took my this round. He asked me almost every type of SQL questions, one simple DSA questions about linkedin list and Java basic questions, it went very well. In manager round he asked me a leetcode hard question. I was lucky that I saw the question before so I solved it in the given time and some basic questions he asked me like what you learnt in college etc

DESCRIPTION OF HR INTERVIEW :-

HR round was just formality because I came to know I've got selected after the manager round and he asked about some achievements in my resume

Additional Tips:-

Just prepare DSA, SQL well and apply wherever you can, web development is also important make 2 good projects that will be enough
