BRANCH :-

Electrical and Electronics Engineering

INTERNSHIP SEASON :-

Internship

DESCRIPTION OF ROLE :-

SDE

JOB LOCATION :-

Banglore

DESCRIPTION OF ONLINE TEST

OT had 4 questions. All coding questions.

DESCRIPTION OF TECHNICAL INTERVIEW

First 2 interview rounds were DSA based.
First round: Graph and Binary search questions
2nd round: Trees and DP questions

Resources

DSA - Striver A-Z sheet
OOPS- Tpoint website
DBMS- Sanchit Jain

DESCRIPTION OF HR ROUND

3rd round: HR, Showed projects and basic questions like y r u choosing software being a EEE student etc...

effective preparation strategy

Do DSA properly. Make it a part of your day. Keep giving contests and improve your problem solving abilities. Have atleast 1 good project. Maintain CG above 7. If possible learn OOPS and DBMS too.
Whatever you are learning, try to have good clarity on it.
